### Set Menu Features

- The menus are crafted as Japanese-style *small plates* and are named after the Japanese prefecture they are inspired by.
- From the freshest sushi to our modern take on classic Japanese hot and cold plates, your guests are offered a wonderful array of colours and flavours.
- Menu items are brought steadily to the table in three to five courses of service.

### Set Menu Options

- Individual portioned ‘sets’ or share plates presented in the centre of the table.
- A la carte menu (not recommended for groups larger than 8 people).
- Sake and wine pairings can be added.
- Customized menus for a tailored experience.
- Personalized menus with a company logo, slogan, or message (complimentary).

### Special Dietary Requests

- We are happy to try and accommodate you and your guests as best as we can with adequate notice.

## Sake

Sake is a natural pairing with the Japanese kitchen and that is why we offer the largest sake program in Canada. ki also employs one of two Sake Samurais in Canada. Trained in New York and Japan, and inducted in the Sake Samurai Association in Kyoto, Michael Tremblay is one of Canada's leading sake educators. He is able to assist in pairing and enhancing your dining experience, drawing upon the 60+ sakes on the beverage list. In addition to Michael, our service team is comprised of many certified sake professionals.

## Sake Tasting

- Sake tastings are available upon request at no charge other than the product used.
- There is flexibility in the tasting format, but the following formats tend to work well depending on the type of private event:

*Guided Sake Flight* – This option includes a flight of 3 sakes that are presented before the dinner begins. The flight is connected thematically (ie. Tour of Japan's Sake Regions, Sake Grades, Premium Daiginjo). This flight works best with a small group under 16 guests.

*Pairing Flight* – This option briefly introduces the sake basics before dinner with a sake poured as an aperitif. The rest of the sake are integrated into the menu as pairings (pairing with the Cold Plates and Maki courses typically works best).

## Wine

When dining in our private rooms we also offer the service of pre-selecting your wine. We are happy to supply you with a current wine list for you to choose from and suggestions if you require assistance.

Private Event Policy

- All bookings are taken on a first come, first served basis.
- No deposit required, but we do require a valid credit card number to reserve and confirm a booking.
